

My Diary

Leslie Daigle

October 5, 2011

Well, I did it. I filed to run for the Assembly. It is all because my friend Charles Munger spent millions of dollars to change the law so Democrats could vote in Republican primaries.*

My plan is simple, I will masquerade as a "conservative," but tell the Democrats the truth - that I'm really just like them - so they will vote for me.

I just got back from the debate.
My opponent Allan makes me so mad!
He sounds so sincere when he talks.
And he really is a conservative.

What's up with that???

I have a confession.

I told the local Democrats and lobbyists in Sacramento that I am open to raising taxes.

I hope the Republicans don't find out that I refused to sign the "No New Taxes" pledge!

So the Republicans found out today about my vote to give early retirement and big lifetime pensions to the lifeguards in Newport Beach.

I don't know why people are so worried about unfunded pension liabilities for government workers and the state deficit - we can just raise taxes to pay for it - the rich don't pay enough anyway!

Received great news today! Charles Munger from the San Francisco area just wrote a check for \$360,000 to help me!

I hope the voters don't find out that his real agenda is to remove all conservative planks from the Republican Party platform - so we will be just like the Democrats.

Now that Charles Munger put in all that money, I am making my list of things to do once I get elected.

TO DO LIST

- ✓ ~~Sell out~~ "Change my mind" and vote to raise taxes!
- ✓ Do for state workers what I did for lifeguards in Newport Beach - give them fat pensions and early retirement.
- ✓ Help Charles remove all the conservative stuff from the Republican Party Platform.
